

Benefit Packages and Structure Changes

With HealthChoices Expansion, there are four Medical Assistance (MA) benefit packages

Discontinued *Healthy PA* benefit packages are consolidated into one streamlined Adult benefit package.

HealthChoices Expansion further simplifies the benefit package structure.

With HealthChoices Expansion six benefit packages have been consolidated into four packages:

<i>Healthy PA</i>	HealthChoices Expansion
HCBO1 - Children	HCBO1 - Children
HCBO6 - Presumptive Eligibility for Pregnant Women	HCBO6 - Presumptive Eligibility for Pregnant Women
HCBO9 - Medicare Cost Sharing	HCBO9 - Medicare Cost Sharing
HCBO40 - Healthy Discontinued 4/26/2015	(NEW) HCB50 - Adult Effective 4/27/2015
HCBO50 - Healthy Plus Discontinued 4/26/2015	
HCBO60 - PCO Discontinued 8/31/2015	

HealthChoices Expansion Benefit Package Information

- **HCBO1** - Children’s Package: remains the same and is assigned to recipients under 21 years of age if an individual is not pregnant
- **HCBO6** - Presumptive Eligibility for Pregnant Women Package: remains the same. All other PE recipients who are not pregnant are assigned to the HCB50-Adult benefit package
- **HCBO9** - Medicare Cost Sharing Only Package: continues to be assigned as it is today
- **HCBO50** - Adult Package: consolidates the HCB40-Healthy, HCB50-Healthy Plus and HCB60-PCO Packages into one streamlined Adult benefit package. The new HCB50-Adult benefit package is effective 4/27/2015. This benefit package covers the eligible adult population over the age of 20
- HealthChoices MCO coverage MPHTH (physical health) and MBHTH (behavioral health) remain.
- Existing benefit packages for home and community-based waiver programs, WAV01 through WAV18, remain.
- The HealthCare Benefit Package Reference Chart (MA446) will be updated with HealthChoices Expansion benefit package descriptions and information.
