

Provider Notice

As you are aware, the Department of Human Services (DHS) is requiring that all providers re-enroll by submitting a fully completed *Pennsylvania PROMISE Provider Enrollment Application* and any required additional documentation/information - based on provider type - for every active and current service location. The DHS requires that the initial revalidation of currently enrolled providers be complete by March 24, 2016, and at least every five years thereafter.

For more information on these requirements, please refer to Medical Assistance Bulletin 99-14-06 at the following link:

http://www.dpw.state.pa.us/cs/groups/webcontent/documents/bulletin_admin/c_074003.pdf

Please remember that your re-enrollment date is based upon your initial enrollment date. You can find this information at:

<https://promise.dpw.state.pa.us/portal/Default.aspx?alias=promise.dpw.state.pa.us/portal/provider>

As always, you only need to send supplemental enrollments to Magellan first so the *Managed Care Organization Attestation* page can be completed. If you are unsure if your program is considered a supplemental, you can reference your initial enrollment for that program at the link above.

Thank you for your cooperation throughout this process. For additional information, please visit the following links:

- www.dhs.state.pa.us/provider - click on the *Provider Enrollment and Screening* link.
- www.MagellanofPA.com - access state and plan information (supplemental applications and updates on revalidation will be available).

Thank you for your attention to this important update.
