

Dear New PA HealthChoices Member:

Welcome to PA HealthChoices! You qualify to receive mental health services. You qualify to receive substance use services. You might not need these services. Magellan Behavioral Health of Pennsylvania (Magellan) works with Cambria County. We work together for you.

This mailing includes your member handbook. This mailing also includes your provider directory. So that you know, this directory is subject to change.

Please take the time to review this information. We publish these materials for you. We also publish a member newsletter for you. Here are some more details about the handbook and the newsletter:

Member Handbook

- Listing of member benefits
- On our website under *Benefits & Services – Member Handbook*
- Ask your provider or Magellan for a copy

PA HealthChoices Member Newsletter

- Get tips for family health
- Includes local services and events
- Publishes four times a year
- On our website under *Benefits & Services – Member Newsletter*
- Ask your provider or Magellan for a copy

Our website is www.MagellanofPA.com. Visit our website to learn more. You can check your benefits. You can find a provider near you. We list services for you. You can find the member newsletter. We also list local events. The website will show you how to get help.
