

# Getting Connected . . .

Do you need help finding  
local community resources for  
behavioral health & substance use services  
in Bucks County?

Getting help is easy with Magellan Behavioral Health of Pennsylvania, Inc.:

**For adults age 26 and over  
along with those supporting adults**

Contact Eve Hauser at 215-504-3953 or  
EPHauser@MagellanHealth.com

**For children and transitioning adults  
up to age 26**

Contact Marissa Gates at 215-504-3966 or  
MLGates@MagellanHealth.com

## How we can help you and your family:

- Listening to your concerns related to behavioral health and substance use.
- Providing educational support regarding the complaint and grievance process.
- Helping you connect to community supports, available services, support groups, peer and family networks and other available county and public resources.
