HealthConnections is a partnership between Magellan Behavioral Health of Pennsylvania, Inc. (Magellan), **Keystone First (through Keystone Family Health Plan)**, the above mentioned County Behavioral Health Offices, and the Pennsylvania Department of Human Services. We can help you better if we are able to work together and with providers that know about you.

By signing this form, you are telling us that it is **OK** for the partners listed above and providers listed in Part 2 to share health information about you with each other. If you do not want to share this information, you cannot be in this Program. But, even if you do not sign this form, your HealthChoices benefits will stay the same with Magellan, Keystone First, the County Behavioral Health Offices, and the Pennsylvania Department of Human Services. These partners may still share information about you, even if you do not sign this form, but only in a way that is allowed by the law. If you have questions, please ask the person who gave you this form to tell you about your rights or for more details about how your health information is shared. If you still have questions, we can help. Call Magellan at the toll-free numbers listed above. Members who are hearing impaired can reach us by using PA Relay 7-1-1.
