

# Getting Connected . . .

Do you need help finding  
local community resources for  
behavioral health & substance use services  
in Bucks County?

**Getting help is easy with Magellan Behavioral Health of Pennsylvania, Inc.:**

Contact our Member Services team as follows:

Bucks County: 1-877-769-9784

## **How we can help you and your family:**

- Listening to your concerns related to behavioral health and substance use.
- Providing educational support regarding the complaint and grievance process.
- Helping you connect to community supports, available services, support groups, peer and family networks, and other available county and public resources.

Visit [MagellanofPA.com](https://www.magellanofpa.com) for more information and resources including our Member Handbook.
