

Magellan Behavioral Health of Pennsylvania, Inc. (Magellan), invites you to attend a **FREE live, interactive webinar:**

***ASAM Alignment Assistance Series***

Magellan is offering a series of technical assistance sessions for substance use providers to gather and discuss difficulties and barriers to achieving ASAM alignment within their organization. Magellan will offer assistance in addressing these barriers to become fully aligned with the ASAM criteria.

This presentation will focus on the requirement to allow for clients to induct on a MAT or be maintained on a MAT while in treatment. We will discuss the nuances suggested by DDAP for coordination between treatment providers with a focus on coordination requirements between residential care providers and Methadone providers.
