

Magellan Behavioral Health of Pennsylvania, Inc. (Magellan) invites you to **SAVE THE DATE** for

MOTIVATIONAL INTERVIEWING FOR USE OF MEDICATION-ASSISTED TREATMENT (MAT)

Presented by Sandra Cini, LCSW, CCS, CAADC

This training is a skill building opportunity to help staff increase their knowledge and understanding of the value of Motivational Interviewing techniques with a person struggling with substance use. Training will provide strategies to identify, engage, and support someone with Opioid Use Disorder where MAT is indicated. The course will cover the following topics:

- Evidence-based practices, including use of MAT, in the treatment of OUD and SUD
- Assessing Stage of Change
- Use of MI
- Specific strategies for use of MI with individuals where MAT is indicated

August 25, 2022

Training will be held virtually.

1:30 P.M. to 4:30 P.M.

Who Should Attend: Any providers of substance use and co-occurring disorder services at all levels of care, as well as acute inpatient service providers. This includes clinicians, case managers, support staff, peers, and supervisors.

*Completion of the 12-hour Motivational Interviewing training offered by DDAP or another foundational MI training prior to attending this training is recommended. *

This is a **FREE** training. Registration and continuing education information will be released in the upcoming weeks.
