

Magellan Behavioral Health of Pennsylvania, Inc. (Magellan) invites you to attend a  
**FREE online interactive live CE webinar:**

## **BEST PRACTICES IN COORDINATED CARE FOR INDIVIDUALS LIVING WITH INTELLECTUAL DEVELOPMENTAL DISORDER (IDD) AND CO-OCCURRING PSYCHIATRIC DISORDERS**

This workshop is a skill building opportunity to help staff increase their knowledge, ability and understanding of individuals living with intellectual disabilities/Autism (ID/A). This training will review best practices for assessment and treatment for individuals living with ID/A and will also explore resources and cross-system collaboration.

**Date:** Thursday, September 15, 2022

**Time:** 1:00 P.M. – 2:30 P.M.

**Location:** Zoom

### **System**

**Requirements:** A device with internet connection and speakers to participate in live, interactive webinar.

**Cost:** **Free of Charge** - Registration is required.

**Registration:** [Please Register Here.](#)

**After registering, you will receive a confirmation email containing information about joining the meeting.**

### **Presenters:**

#### **John Siegler, Psy.D.**

Dr. Siegler provides consultation to the care management team, reviews of community-based service requests, and supports children's service providers striving to provide effective and accountable treatment services to the individuals and families they serve. Dr. Siegler has extensive experience providing consultation services in educational, psychiatric, and forensic settings. He has provided staff training to behavioral health providers on a variety of topics related to clinical excellence and clinical accountability. Prior to joining Magellan, Dr. Siegler has held clinical leadership positions in psychiatric inpatient, psychiatric residential treatment, extended acute care, intensive behavioral health services and outpatient settings.

#### **Danielle Dolena, LCSW**

Danielle Dolena is a Licensed Clinical Social Worker with over 15 years of experience working with individuals and their families living with ID/A in a variety of treatment settings. In her role as Senior Care Manager, Danielle advises the care management team, service providers, and families in their ongoing efforts to provide high quality treatment for individuals living with ID/A.

**Presenters' Disclosure:**

John Siegler, Psy.D. and Danielle Dolena, LCSW have no relevant financial relationship commercial interest that could be reasonably construed as a conflict of interest.

**Continuing Education:** CE clock hours are approved for counselors and social workers.

**Target Audience:** This activity is targeted for Intensive Behavioral Health Services (IBHS) clinicians, Family Based Services clinicians, Outpatient Services clinicians, Case managers, and all systems partners. Additionally, this activity is targeted for intermediate skill level professionals, counselors, and social workers. The counselor skill group for addiction professionals is case management.

**Training Goal:** The goal of this presentation is to provide increased understanding of best practices in coordinating care for individuals living with ID/A.

**Learning Objectives:**

At the conclusion of the training, participants will be able to:

- Recognize prevalence of IDD and the psychiatric disorders that co-occur with IDD
- Review diverse causes of IDD
- Identify DSM-5 TR Diagnostic Criteria for Intellectual Developmental Disorder (IDD)
- Review best practices for assessment to determine if an individual is living with IDD
- Review best practices for treatment when IDD co-occurs with psychiatric disorders
- Recognize IDD resources and cross-system collaboration

**Course Outline:**

- Prevalence of IDD
- Etiology
- Assessment and Diagnosis of IDD
- Assess of Co-Occurring Psychiatric Disorders
- Treatment
- Assessing the Need for Resources
- Cross-System Collaboration

**Eligible CE Clock Hours (1.5)**

Upon request, all other health care professionals completing this event will be issued a certificate of participation. For information on applicability and acceptance of CE credit for this activity, please contact your professional licensing board. Please note that discussion questions will be embedded within the course content and will act as an alternative to a post-test. All participants are encouraged to contribute to these discussions.

**How to Obtain CE Clock Hours**

To obtain CE clock hours you must attend the live webinar in its entirety and complete the course CE evaluation via a web link to be given after the conclusion of the course. Upon completing the course

requirements, you will be issued a certificate. Partial attendance is not accepted. After completion of course requirements, a certificate will be issued via online to download or print.
