

## Addressing Underage Alcohol and Substance Use

### REGISTER FOR THIS NO-COST, CME-ELIGIBLE EDUCATIONAL SERIES FOR PROVIDERS

This virtual series will guide you through Screening, Brief Intervention, and Referral to Treatment (SBIRT) techniques and how to incorporate them into routine care. Together, experts and providers will collaborate to discuss patient cases and develop recommendations for care. In addition, we will be providing resources on screening and substance use prevention for providers, parents and adolescents.

Register for this series at: <https://redcap.link/UnderageSubstanceUseJul2023>

### Series Schedule

Sessions will take place from 8:30-9:30 a.m. on the following dates:

Aug. 10, 2023

Sep. 21, 2023

Nov. 2, 2023

Aug. 24, 2023

Oct. 5, 2023

Nov. 16, 2023

Sep. 7, 2023

Oct 19. 23, 2023

This no-cost CME-eligible ECHO series will cover topics such as:

- Intro to SBIRT and Screening
- Addiction Risk and Protective Factors
- Referral to Psychosocial Treatment
- Medication for Substance Use Disorders
- Diagnosing Substance Use in Adolescents
- Progression of Substance Use and Vulnerability
- How Alcohol Affects Human Biology

## “All Teach, All Learn”

The Project ECHO model of continuing education leverages the power of all participants learning and sharing together. ECHO sessions consist of a brief educational presentation with Q&A, followed by group discussion on de-identified cases submitted by participants. As such, it is a guided, virtual learning community aimed at supporting attendees in caring for their patients.

### PARTICIPATING IS FREE, SIMPLE AND VIRTUAL.

- Register for the series at no cost, and get reminders for upcoming sessions.
- Submit patient cases when you can (and if you want) using easy-to-complete fillable forms.
- Join sessions using the Zoom video conferencing platform with links that are emailed to you.
- No need to travel. Participation takes just one hour of your day.

### BENEFITS FROM PARTICIPATION

- A statewide learning community of providers like you.
- Presentations from subject matter experts on topics you help to select.
- Suggestions on managing your most complex clients.
- Free continuing education credits you can use to maintain your certifications.

## What to Expect

- Experts dedicated to sharing knowledge with you and learning from you
- A welcoming atmosphere where people feel comfortable participating
- Responsiveness to your feedback on evaluations
- Respect for your experiences, skills and time
- Increased knowledge

## Project ECHO

Project ECHO (Extension for Community Healthcare Outcomes) is an internationally-recognized, evidence-based approach to continuing education and tele-mentoring that leverages the power of sharing knowledge across miles and across disciplines. Project ECHO started at Penn State College of Medicine in 2018 and aims to improve health outcomes and access to care within and beyond Pennsylvania.

*In support of improving patient care, this activity has been planned and implemented by Penn State College of Medicine and Project ECHO. Project ECHO® is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.*

*Project ECHO® designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.*
