

Licensing Survey

- Mandatory Process
- Reviews compliance with state regulations for SUD
- Coordinates with federal entities (DEA, SAMHSA) about compliance with regulations for SUD
- Completed by the DDAP's Division of Licensing

SCA Contracted Provider Monitoring

- Mandatory Process
- Reviews compliance with DDAP Grant Agreement requirements for funding, including those in the Case Management & Clinical Services Manual and the Federal Substance Use Block Grant
- Completed by the SCAs
- Required to be completed yearly

ASAM Criteria, 3rd Edition, 2013 Alignment Reviews

- DDAP and DHS are requiring use of the ASAM Criteria, 3rd Edition, 2013, as provided for under Act 70, for providers who receive funding for treatment services under agreements with SCAs and/or MCOs
- Reviews alignment with the ASAM Criteria, 3rd Edition, 2013 in the appropriate level(s) of care
- Completed jointly by the SCAs and MCOs

Federal and State Requirements Related to Medicaid

- Providers must comply with all state and federal laws, regulations, and policies governing Medical Assistance Program in order to receive payment for services provided to Medicaid beneficiaries.
- MCOs are responsible to ensure that their network providers comply with those requirements.
- General Provisions related to Medicaid payment are outlined in 55 Pa. Code 1101, and Medicaid payment requirements specific to Outpatient Drug and Alcohol Clinic Services are stipulated in 55 Pa. Code 1223.
