Date: Thursday, April 25, 2024

Time: 1:00 P.M. – 2:30 P.M.

Location: Zoom

System

Requirements: A device with internet connection and speakers to participate in live, interactive webinar.

Cost: **Free of Charge** - Registration is required.

Registration: [Register here](#)

After registering, you will receive a confirmation email containing information about joining the meeting.

Presenter:

John Siegler, Psy.D., Magellan Behavioral Health of Pennsylvania

Dr. Siegler provides consultation to the care management team, reviews of community-based service requests, and supports children’s service providers striving to provide effective and accountable treatment services to the individuals and families they serve. Dr. Siegler has extensive experience providing consultation services in educational, psychiatric, and forensic settings. He has provided staff training to behavioral health providers on a variety of topics related to clinical excellence and clinical accountability. Prior to joining Magellan, Dr. Siegler has held clinical leadership positions in psychiatric inpatient, psychiatric residential treatment, extended acute care, intensive behavioral health services and outpatient settings.

Presenters’ Disclosure:

John Siegler, Psy.D. has no relevant financial relationship commercial interest that could be reasonably construed as a conflict of interest.

Continuing Education: CE clock hours are approved for counselors, and social workers.

Target Audience: This activity is targeted for clinicians, support professionals and all systems partners. Additionally, this activity is targeted for intermediate skill level professionals, counselors, and social workers. The counselor skill group for addiction professionals is case management.

Training Goal: The goal of this presentation is to provide increased understanding and implementation of suicide specific treatment.

Learning Objectives:

At the conclusion of the training, participants will be able to:

- Review components of suicide risk reduction
- Understand how to conceptualize suicidality
- Understand the rationale for suicide specific treatment (SST)
- Understand the role of empathy and collaboration
- Understand elements of evidence-based SST
- Recognize available evidence-based SST & available training

Course Outline:

- Components of Suicide Risk Reduction
- Conceptualizing Suicidality
- Suicide Specific Treatment
- Evidence-based Suicide Specific Treatments
- Safety Planning – An ongoing process
- Resources for further training

Agenda:

1:00 P.M. – 1:05 P.M. - Welcome & Introductions

1:05 P.M. – 2:20 P.M. – Best Practices in Suicide Risk Reduction

2:20 P.M. – 2:30 P.M. – Q&A

Eligible CE Clock Hours (1.5)

Upon request, all other health care professionals completing this event will be issued a certificate of participation. For information on applicability and acceptance of CE credit for this activity, please contact your professional licensing board. Please note that discussion questions will be embedded within the course content and will act as an alternative to a post-test. All participants are encouraged to contribute to these discussions.

How to Obtain CE Clock Hours

To obtain CE clock hours you must attend the live webinar in its entirety and complete the course CE evaluation via a web link to be given after the conclusion of the course. Upon completing the course requirements, you will be issued a certificate. Partial attendance is not accepted. After completion of course requirements, a certificate will be issued via online to download or print.
