

# Voting information resources are available

Summertime can often be a good time to review paperwork to ensure we have things up to date. One detail often overlooked is voting registration. Fortunately, our Pennsylvania Department of State makes things easy to register to vote at [www.vote.pa.gov/register-to-vote](http://www.vote.pa.gov/register-to-vote). The deadline to register this year is October 21, to be registered to vote in this year's general election on November 5.

In addition to voting registration, the website above has other helpful resources and information concerning:

- County election office locations.
- Polling locations.
- Voter education toolkit.
- Mail-in and absentee ballot details.
- Military and overseas voters.
- First time voters.
- Volunteer opportunities.
